Contest will end November 30th, 2012.

Certificates will be presented at the December Crossroads meeting.

This is a very simple contest with the winners enjoying perpetual bragging rights

- It is open to all club members.
- Fish must be caught using a flyrod.
- Results must be measured, photographed and hopefully released.
- Each winner will be determined based on the entire length of the fish.
- All reported results will be based on the honor of the contestant.
- Results will be regularly posted right here as they come in. The results you see are merely current entries.
- Submit your entries by posting on the message board, e-mailing Steve Dewar at dewar1028@gmail.com or the old fashioned way 10 Colleen Dr, Lakeville, MA 02347
