FLY FISHING CLUB

Founded 1994 by Armand Courchaine

Meeting Date: February 23rd, 2010, 6:30 PM

From the President

The Guest speaker at the February meeting will be Dr. David Ross of Woods Hole. He is the author of the Fisherman's Ocean How Marine Science Can Help You Find and Catch More Fish.

Dr Ross is an avid fly fisher and can speak from perspectives of both the marine science and that of a life long fly fisherman. He has been kind enough to pass on a wealth of information gained over the years on how to make you a better fisherman, and will be selling and signing books at the meeting.

Please invite a friend to hear Dr. Ross speak.

Please drop off a fly at the start of the meeting. We would like to present Dr Ross a box of flies from the club as a thank you.

The club raffle for February will be a Gilmore 12 weight reel. A big thank you to Gilmore Reels and Howie for their kind donation.

We will be raffling off a Temple Fork Jim Teeny 6 weight rod and reel at the March meeting

The Bear's Den show will be held at the Holiday Inn in Taunton on Saturday February. If you can spare two hours and would like to help out let me know. A number of members have not paid there 2010 dues yet, please make an effort to pay at the January meeting
