

February 2015

President's Letter

Well, once again as I am sitting at my desk there is a major blizzard here in our area. I for one am getting tired of this, as I am sure everyone else is too. The only benefit of cabin fever is that I am tying flies for the summer (should it ever get here). We will have lots of water in our rivers and lakes for good fishing...I hope.

As we are well aware of, the January meeting was canceled due to another snow storm. This was one of the first times I remember we had to cancel a meeting. I have been asked if Ron Lasko will return as a speaker, I can tell you he will be back-I am not sure when but we will have him speak again.

The Bears Den show is this month and if you have not attended it in the past I highly recommend you do. It is a freebee and there are a lot of vendors and tyers showing. Crossroads will also have a table, hope to see you there.

This month's speaker is Ryan Collins, even though Ryan fishes from the "dark side" (spinning) (as Armand calls it) he has some interesting insight regarding fishing on Cape Cod. I know everyone should gain some valuable knowledge on fishing the canal and the Cape.

We are also having elections for this year so make sure you attend to vote. The officers of our club are elected by you the members so make sure you come and vote.

We are still having our annual guide raffle this April featuring Capt. Ray Stachelek. A ticket costs \$15.00, the winner is going to have a fantastic day with Capt Ray. From my experience Ray gives a great day of fishing-good luck.

Tight lines and tie some flies thru the winter and hope to see you at the meetings.

Joel
