

March 2015

As I am writing this month's letter a small amount of snow is falling. Will it ever end in our part of the world? Today we hit over 40 degrees in temperature, so I know, I'll be fishing soon.

I want to thank the members for voting myself and my board of officers in for another year. I hope everyone is pleased and if you have any thoughts or suggestions PLEASE let me or a board member know.

I just went on the Massachusetts stocking site and they are stating we should have stocked ponds end of March to first week of April. Let's hope that the snow is gone by then. I am sure after this long winter we all want to get out and wet a line no matter where it may be.

I want to thank Ryan Collins from "my fishing Cape Cod" for speaking at our meeting this past month. I believe everyone got something out of his talk. I had spoken to Ryan afterwards and hopefully as our club and his member, we can fish together fly rodders and spin fisherman-we will let you know when and where.

This month we are having Paul Perra from NOAA come and talk about the fish stocks and where our money for a license goes. Paul also has done research on striped bass so we may be able to slip him some questions on this as well.

We still are selling raffles tickets for an all day fishing trip in Rhode Island waters with Capt Ray Stachelek. For \$15.00 someone is going to win a great day of fishing on the water. Remember, this can be for stripers or albies, fly or spinning you pick what you want to do with Capt Ray.

Tight lines hopefully we will be fishing soon and hope to see you at the meetings.

Joel
