

December 2014

President's Letter

It has been some time since my last Presidents letter. The board felt that we do not need a paper newsletter. Steve Dewar is doing a fantastic job on the web site and I have not been pushed in writing a letter.

This month of December at our next meeting we are planning on having, what is turning into our annual Christmas meeting with pizza and Ben White's daughters cupcakes. Our speaker will be Dan Spedding, who is going to talk on fishing Alaska on a low budget. I have been told by Armand his presentation is one of the best he has seen.

January, we are planning on having Ron Lasko. He was a big hit last year when he spoke and currently has a different presentation

February, will be a new speaker for us, Ryan Collins. He has a web site, <http://myfishingcapecod.com/> and offers a very informative talk on fishing around the Cape. Although, Ryan fishes from the dark side –maybe we can convert him, it will be very interesting, no doubt.

March we hope to have another scientist talk on what is going on in the fishing from a science view.

In April, **Capt. Ray Stachelek** who again has given his time to speak. We are also going to raffle off tickets for a guided trip to Rhode Island.

Once again, May brings our annual BBQ!

As you can see we have a lot planned, expect also to see a few other surprises this year.

Remember that this is your club. Come help support it by buying and selling raffle tickets. Bring new members. This all benefits the club. We are also looking for board members if you would like to join let me or another board member know.

Hope to see you at the Holiday Meeting in December

We have planned another exciting year of speakers and tying fun.

Tight lines and tie some flies thru the winter and hope to see you at the meetings.

Joel
